### Retail

Property Solutions knows the retail market. Having developed many large and medium size retail projects over the last decade, holding close relationships with the major supermarket operators and many national specialty shop operators, translates into very successful developments which are sought after by investors and financiers alike.

Property Solutions are well known as the developers behind major retail precincts such as The Barracks Petrie Terrace, Centro on James and Citigate Fortitude Valley. The retail portfolio also includes many small projects as well as Nundah Village Shopping Centre, Central Lakes Shopping Village, The Village Upper Mount Gravatt, Calamvale Central Shopping Village and the soon to be completed Oxley Central Shopping Village.

What sets Property Solutions apart is our in depth understanding of the requirements of all stakeholders in the development process. Property Solutions is able to deliver peace of mind, confidence and quality product to our investors and financiers. Property Solutions long term ownership and management of shopping centres has also equipped it well to ensure that its centres create the best environment for retailers to operate their businesses and to flourish and grow with us.
